

Project: Original Landscape	Advanced 4	Proficient 3	Emerging 2	Below Expectations 1
<p>Criteria: Project is completed on time, is the specified size,</p> <p>Referenced more than one source material and combined them into an original detailed shaded drawing.</p>				
<p>Craftsmanship: Project is clean and well presented, fills the space on the page with equal emphasis for positive and negative space.</p> <p>Use the skills that we learned of perspective,</p> <p>how to create the illusion of depth,</p> <p>use of blending and glazing to create light & shade (using warm & cool)</p> <p>how to work large to small, light to dark.</p> <p>Consistent light source.</p>				
<p>Creativity: Project is from an original source, tackled in their own original way, is not a direct copy from another artist's work.</p> <p>Personal Growth: Considered the peer critique to make improvements on their work from pre assessment</p>
